

Footsteps

Distance Learning Dance Program

Toll Free Number:
1 (800) 260-1432

Did you know that if your school community is distance learning, you can still experience the fun and energy of a Footsteps lesson?

Our Distance Learning program has been developed to allow students to learn and participate in dance lessons whether they are at home or school.

Programs Available:

PK - Grade 2
Grade 3 - Grade 5
Middle & High School

After Purchase Support:

Our office can be contacted at any time during business hours Monday to Friday for online technical support.
Phone: 1 (800) 260-1432

Subscription Duration: one semester

Online Content

Elementary program consists of the following:

- 10 × full lesson tutorials (inc. 2 revision lessons)
- Curriculum Documentation
- Criteria and Matrix for teachers
- Self Reflection & Activity Resources for students

Middle School & High School program consists of the following:

- 10 × full lesson tutorials (inc. 2 revision lessons)

Access & Security

Upon receipt of payment (which includes subscription charge), you will be provided with a license key to access the program and any additional information that is required.

All tutorials are via the Vimeo platform, therefore private and secure for the online safety of students. Access is only available with the licensed login provided by Footsteps by way of our website.
